

## **IMPORTANT INFORMATION 3/13/2020**

The church council of St. Paul's of Shorewood congregation would like to inform you of the need to close our church for the next two weeks.

After prayerfully reviewing all the information and announcements about the coronavirus pandemic, we came to the conclusion that it is necessary that we close the church to all activities for the next two weeks. This includes church services, Little Christian Preschool, exercise classes, Wisdom Wednesdays, choir rehearsal, quilting, Iglesia International El Salvador services and meetings. This also includes any other meetings of any type for the next two weeks.

We will try to keep you informed if anything changes. In two weeks, we will look at where the issues are and get back to you.

For all of you that have email, Pastor Stime will be sending his thoughts and prayers on a periodic basis. This is a unique time in our country and our state and our lives. It is important to remember that we are not in charge of each step in our lives. It is our Lord and Savior who has written the story of our lives before we were born. As we trust in him each day that our life unfolds we can be confident that he will take care of us and take us where he wants us.

In his grace,

St. Paul's Church Council
